*The New Vital Congregational Model has a triangular image to depict the power of the triune God. The bottom triangles of the Model illustrate how the 7 Marks of Vital Congregations and the 7 Healthy P's of Vital Congregations all point up to the God of possibilities, transformation and revitalization. The center triangle points downward, directing congregational leaders and pastors to be equipped and prepared to go out to the world to serve, witness and evangelize people for the Kingdom of God. The lifting of the praying hands is a reminder that Jesus prayed, "Yet not My will, but Your will be done." In shifting and transforming to the Vital Congregational Model, it is not just our will but God's will be done. Prayer is an important key to unlock the revitalization and transforming powers of God for congregations, leaders and pastors.*
